

Islandaire "The Perfect Fit" units are designed to exactly replace the original, existing chassis! Islandaire units are designed for optimal efficiency and reliability. This appliance is intended for new construction or replacement of comparable-sized fan coil units. Please confirm that the electrical rating of this appliance matches the electrical supply available before beginning installation.

Features of the EZ Series FV:

- Proudly assembled in the U.S.A
- Superior energy efficient ratios (EER)
- Commercial duty construction with heavy gauge galvanized steel

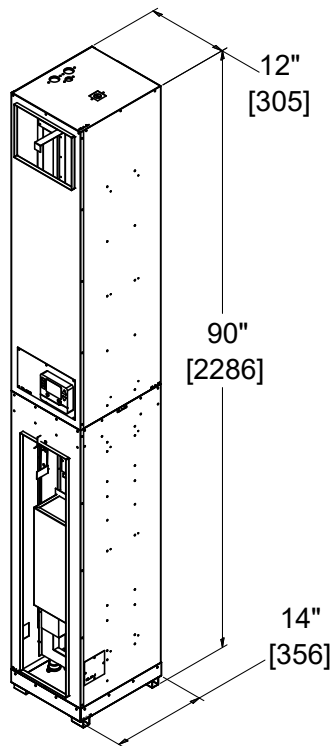

*Specifications are subject to change due to ongoing product development.
